Holiday Gifts.

In no department can there be such elegant and at the same time useful presents bought as in the crockery and house furnishing goods department. What is more elegant than a fine china dinner set? We have them in 100 and 112-piece sets, twenty different decorations, at \$17 and \$21.95. The regular prices of these sets are \$30 and \$40. We have over 600 dinner sets in 100 pieces each that range in price from \$7.25 to \$10.
 Our line of hanging lamps is complete. We have center draft round burner, with automatic light lifter and spring extinction, at \$2.85. You never bought one under \$6.50. You have 200 different styles to select from.

 Cups and Saucers—You never saw such a nice and large stock to select from in teas, coffees, mustache and after dinners, in French and Austrian china, in hand decoration and unique shape, from 10c up.
 A full line of blue enamel ware just in. A small selection of blue ware would make an exceptional present to any housewife, and prices no higher than common tinware.

We have duplicates ranging in price from 12c up to 89c. Also a full line of water sets from the same display from \$2.50 up to \$4.50. Toilet sets from \$1.95 up to \$16.50.
 It would take several pages to enumerate all the beautiful and useful presents that can be selected in these departments.

Toys and Toys.

Haydens have got the toys and they are marked at prices that will sell them. We don't ask fancy prices because we have the stock to select from. The time is short, only one week to close this immense stock. We don't depend on the profits of this department, but only keep it up in order to accommodate our regular trade, which demands us to supply their wants. Great care has been taken in selecting this stock; years of experience assist us in getting the right articles for our trade. It is a pleasure to hear the complimentary remarks made daily by our customers. Satisfaction prevails all over the house, as our prices are always the lowest or money cheerfully refunded.
 This season we are showing a great many new novelties in manure sets, both in trimmings and cases, at 50c, 75c, 95c, \$1.25, \$1.75, \$2.25, \$2.50 and up to \$10. Combination sets, the best selection in Omaha. Toilet sets 75c, 95c, \$1, \$1.25 and up. And such a fine line of work boxes—50c, 75c, \$1, \$1.25, \$1.50 and up. These goods are lower this season than ever. We have a great many odd pieces which are being sold fast, because they are new and no duplicates are to be had. Now is the time to make your selections.
 Have you seen our display of albums? You will find styles among them shown only by Haydens. \$1.00 buys a fine album. We have the finest line of albums at \$2.00, \$2.50, \$3.75, \$5.00 and \$3.50 cover displayed in this city.

 Where is the boy that don't like a drum? We have them and in large quantities. The 25c drum we sell at 15c, the 50c drums at 35c, and so on. Did you get one of our boys' coasters? We had a carload and they went fast. Only a few left. We could not understand why they sold so quick. Yesterday we found out the cause.
